

The Salvation Army, Pine Summit Camp

November 6, 2020

To Whom It May Concern:

It is my pleasure to write a letter of recommendation on behalf of Joshua Tufano and his company, Green R Turf. Joshua was my main point of contact throughout the entire process of seeking a price quote all the way through to the final touches he personally attended to on the field, itself. The field is beautiful and was completed way before the promised deadline. I would have no hesitation recommending Joshua and Green R Turf for any project, big or small.

Sincerely,

Michelle Milburn
